SALEM

WELCOME TO BRENTANO'S TREE FARM!

Welcome to the 2005-2006 season. To let you know who we are, Brentano's Tree Farm LLC is a wholesale nursery started in 1989. We are family owned and operated, located in the heart of the Willamette Valley, between Portland and Salem, Oregon.

Our mission is "Growers of Quality Trees" with the emphasis being on *quality*. In striving towards this goal, we have grown from just 3 acres of shade trees to more than 150 acres in production of trees of all sizes. We are pleased to offer our ornamental varieties B&B, and have expanded our shade trees to include both B&B and container grown material.

We invite you to stop by the nursery and visit when you are in our area. Prior notice is always appreciated to insure we are available for you. Additionally, we welcome your calls or inquiries about our products and availability.

We hope that the service and products we provide reflect our gratitude to you, our customer.

CALIPER SHADE TREES

We are pleased to offer our caliper shade trees available B&B and containerized. These lines continue to expand in varieties, numbers, and sizes available. Our container trees are grown in a pot-in-pot system and have added additional availability opportunities throughout the growing season. We have both #15 and #25 containers available. As always, we can summer dig B&B material if we cannot meet your needs in container trees. There is an additional 15% charged for B&B material that must be summer dug. Additionally, we have instituted a cumulative discount schedule per year from July 1 to June 30 for our shade and flowering tree customers. It is as follows: \$10,000-\$15,000 @ 5%, \$15,001-\$20,000 @ 7%, and \$20,001 and above @ 10%.
